

Eyes Towards the Dove, est. 2007

Katy Diamond Hamer is the Founding Editor for Eyes-towards-the-dove.com a contemporary website commenting on contemporary art and culture. We feature reviews of gallery and museum exhibitions, art culture events, and artists studio visits. Based in Brooklyn, New York, our coverage also extends abroad including several exhibitions in Berlin, Kassel (DOCUMENTA 13), Athens and the Biennale di Venezia (2007/2009/2011/2013/2015). Our focus is on what Katy Diamond Hamer has coined 'Emotional Criticism', something that has roots in art historical matters but is translated through the human interest and contact with the viewer. Eyes Towards the Dove is one of the few websites on contemporary art that has remained unchanged regarding content and critical decisions. We pride ourselves on this and look forward to growing with you for years to come.
